EXCEPTIONS. The warranties contained in this Agreement do not cover:

- a) Equipment that is determined by Bayer to be non-functional at the time of initial service or annual predictive maintenance and has become non-functional due solely to Customer's negligence is not covered by this Agreement. These conditions could jeopardize product operation, safety or reliability. This includes any work performed on the product by any party other than a Bayer authorized service provider, or any parts or modules installed on the product not provided by a Bayer authorized service provider.
- c) Any claim caused by the use of non-Bayer or non-approved accessories (such as non-Bayer disposables or in the case of any PET/CT product, the use of vials or vial shields that are not approved by Bayer and products not installed and serviced by a certified and approved Bayer personnel) shall not be covered by this warranty and Bayer is relieved from any further obligation. The use of accessories in connection with the equipment may jeopardize functionality, reliability or operator and patient safety.
- d) Damage, malfunction, or incorrect injections resulting from the use of non-Bayer syringes and/or tubing sets (e.g., transfer sets, patient lines, Y-connectors, T-connectors, other extension sets) - i.e., spilling of contrast, leakage, pressure, flow rates, or volumes not agreeing with injector settings, etc.
 - I. This Agreement does not cover injector heads that are damaged due to spilling of contrast (contrast fouling) when non-Bayer syringes and/or tubing are used.
 - II. Upon replacement, the injector head will be warranted for 90 days or the balance of the Agreement in effect, whichever is longer, subject to these Exceptions.
- e) Malfunction or damage due to abuse, misuse or spilling of contrast, blood or other substances; or operator error in failing to follow specific provisions of the product operation manual.
- f) Failures caused by network outages or improper network configuration.

- h) Any ceiling or wall support structure used to mount or support an Injector Head Counterpoise System improper installation of such structure (by anyone other than Bayer) and any failure of such to meet Bayer’s requirements in its terms and manual (such as the requirements for level and plumb and/or loading).

In all of these out of warranty instances, Bayer will provide service to the product, at Customer’s request, upon the terms of this Agreement. However, Customer must agree to pay Bayer for required labour, either in-house or on-site (including all travel time and taxes), and any material(s) required at Bayer’s current list prices and labour rates.

IN NO EVENT SHALL BAYER BE LIABLE FOR ANY LOST PROFITS, DAMAGES FOR BUSINESS INTERRUPTION OR INCIDENTAL, INDIRECT, INCIDENTAL, EXEMPLARY, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE USE OR OPERATIONS OF BAYER’S PRODUCT OR SERVICE. Bayer may terminate this Agreement with immediate effect by giving written notice to Customer if (a) payment has not been made by the due date, (b) Customer is in material breach of the terms of this Agreement (it being understood that the Customer’s failure to pay any amount hereunder when due constitutes a material breach), or (c) Customer does not give Bayer access to the product at the scheduled time for service. Either party may terminate this Agreement at any time, for any other reason, by at least giving sixty (60) days’ prior written notice to the other party. If the Agreement is terminated for any reason other than as contemplated in the first sentence of this paragraph, Bayer shall refund to Customer an amount equal to the amount prepaid for service for that year less the assessed value of any Predictive Maintenance (PM) performed and the assessed value of any services provided on or prior to the date that the Agreement is terminated. If the PM was performed during the Agreement period, the Agreement shall be considered fulfilled and no refund for that service year will be due to Customer.

COMPLIANCE WITH LAWS. In addition to any rights specifically identified here in this Agreement, Bayer shall have all rights and remedies conferred by law, in equity, by statute or otherwise. Bayer shall not be required to perform its obligations under this Agreement if Customer has defaulted on its obligations (including

a failure to pay amounts when due) under this Agreement or any other contract involving Bayer.

MISCELLANEOUS. No waiver by Bayer of any of the provisions of this Agreement is effective unless explicitly set forth in writing and signed by Bayer. No failure by Bayer to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement operates, or may be construed, as a waiver thereof.
